

ERRA

Description

ERRA is a ground up, five story mixed use community designed to bring modern living to the heart of Hillcrest. Featuring 32 thoughtfully crafted residential units, an activated at grade podium deck, and four levels of efficient wood frame construction, the development blends contemporary design with long term durability. With 28,510 sq. ft. of optimized living, ERRA delivers a refined urban experience shaped by smart functionality and a commitment to quality.
