

MESA RIM CLIMBING CENTER - NORTH CITY

Description

We partnered with Mesa Rim Climbing Centers for our fifth and largest project with them to date. Mesa Rim San Marcos is North County's largest climbing center. The new 28,200 SF 2 story structural steel climbing gym includes North County's highest rope climbing wall at 55 ft, a yoga room, gym area, lockers rooms, two-stop elevator and staff offices.

We received the 2021 Project Excellence Award for metal building systems by Metal Construction News and the 2021 Best in category for metal buildings from Metal Architecture.
