

UN Sung BREWING

Description

R&R Construction built a craft beer production and tasting room for Unsung Brewing Company at the historic Make Building in Downtown Anaheim. The project marks the second production facility for Unsung since their opening and their first public tasting room to allow craft beer enthusiasts to sample their unique line. Interior Design brought to life Owner, Mike Crea's, passion for honoring heroes that exist "unsung" in our everyday lives with custom graphics, lighting and minimalist furnishings.
